Dear Professor Petrosian,

In accordance with Prof. D. Jelenic the President of the CIEC I have the honour to inform you that during the 9th Congress of the Society to be held in Budapest 11-16 June 1984 meetings of the General Assamblee as well as of the Central Committee of CIEC will take place. The agenda of these meetings will include the new rules of the Society as well as the elections of, officers. Regarding the importance of this session your participation as member of the Central Committee is very desirable.

In hope you will attend the Congress, waiting your answer.

Sincerely yours

Prof. I. Szabolcs  
Chairman of the Organizing  
Committee
